HENDRICKSON

Hendrickson Aero Clad Bumpers

Hendrickson is the leading tier one OEM supplier of heavy-duty truck bumpers for the North American commercial vehicle industry. Their commitment to quality and product innovation drives this industry leadership position, thus promoting the development of products that enhance vehicle styling and durability. Key capabilities, which include proprietary bumper forming technology and advanced metal materials, enable Hendrickson to manufacture aerodynamically contoured bumper designs that are durable yet lightweight.

Hendrickson has an extensive field sales, parts and service organization to support our customers around the globe – truck owners, dealers, fleets and OEMs. Our investment in new technologies will continue as we strive to deliver value to our customers. At Hendrickson, innovation never rests.
