Air Brake Compressor Program

The Alliance Air Brake Compressor program was introduced to provide a competitively positioned program to ensure network competition. The air brake compressor product line is an alternative to the Reman, offering a new product priced less than a Reman with a simplified no-core return program.

Visit manufacturer's website (http://www.Tccimfg.com)

Product Highlights

No Core Return Required.

Less Oil Passage & Blowby Results in Longer Brake Life.

Less Coking than Reman.

Brand New Compress at Lower Price than Reman.

Drop-In Replacement for Several Models.

Program will expand throughout 2018.

100% Cast Iron Case.

Stainless Steel Valves & Durable Brass PRVs.

Precision Ground Crankshafts.
