Features & Benefits

- Promotes lifetime lubrication due to self-energized sealing design
- Helps reduce service cost by eliminating the need for quarterly greasing
- Powder coated housing helps maximize corrosion resistance and product life
- Optimized adjustment can lower the risk of brake grabbing and hot runners
- Self-setting function helps avoid additional adjustments

Parts Information

To see the product part numbers, installation kits numbers, and cross references, click to view the WABCO EasyFit Automatic Slack Adjuster product brochure below.
