New Cascadia 116/126 front bumpers

Cascadia 116/126 Bumper Sales Sheet

General Product Information

Designed to fit the New Cascadia 116/126 applications. The Alliance composite bumpers are a light weight, cost-effective alternative to OEM composite bumpers. Built with premium materials to ensure product quality and durability without premium pricing. Two-piece design, lighter weight and lower cost than OEM composite bumpers.

Product Highlights

- Precision design accommodates Wabco Assurance system
- Quick and easy installation with all required bolts included in box
- Standard color matches original grey bumper and can be installed directly or easily painted to match customer request
- Guaranteed to fit your vehicle
- Available options include with fog light cutouts and without.
- Instruction Manual for assembly included in the box
- Everything you need in our package, no need to order separate subcomponents
- In stock and ready to ship directly from our DTNA PDC network
