ALLIANCE PARTS

Connector Kits

Alliance Connector Kits are an affordable and flexible option to repair specific connectors within a harness instead of replacing the harness itself!

Sales Sheet - Alliance Connectors

Product Highlights

Replacement
Connector Kits allow for replacement of a specific section instead of the entire harness

Assembly
Connector Kits are assembled to OE standards at an OE manufacturing facility

Testing
Tested to OE standards at an OE manufacturing facility

Materials
All materials used are that of OE standard, and used in OE harnesses

Quality
Connector Kits are produced with OE material, assembly and quality standards

Compatibility
Drop in OE replacement for specific connectors
