

Product Highlights – Cobra

Cobra SC dash cams protect you from life's blindspots with advanced technology that is ready for anything that happens on the road.

Offering a range of video resolutions, from Full HD 1080P to stunning 4K, and advanced safety and security features like heads-up navigation, 360 Alerts, and Mayday Alert, there's a Cobra SC dash cam for every type of driver and vehicle.

- **SD Card Included:** A high-quality micro SD memory card comes preloaded with your Cobra SC dash cam
- **Cloud Video Management:** Instantly store, edit, and share footage from anywhere with built-in Wi-Fi and cloud storage
- **Mayday Alert:** Sends an email and text to a designated contact in the event of a severe impact
- **Heads-Up Navigation:** Plan your trip and get heads-up alerts to upcoming turns on your dash cam screen
- **Live Police Alerts:** Stay aware on your drive and get shared alerts plus red light and speed camera locations
- **Accessory Cameras:** Capture the view behind or inside your vehicle with the optional accessory cameras
