Alliance Fenders

The Alliance fender program offers a full line of spray suppression products built to protect trucks and trailers from dents, rust and other damage caused by rocks, ice, salt and other road debris. Driver safety is also improved due to the reduction of spray during wet road conditions resulting in improved visibility for the truck driver and surrounding vehicles. Included in this line are single axle, half tandem, full tandem and quarter fenders designed to fit all heavy-duty truck makes and models. Each fender is constructed of high-quality materials ensuring an exceptional value at a competitive price.

General Product Information

Quarter Fenders

1. Protects trucks and trailers from damage caused by rocks, ice, salt and other road debris
2. Reduces spray during wet road conditions for improved driver safety
3. Available in high-quality stainless steel and polyethylene
4. Universal post mount application for easy installation

5. Fits: Freightliner, Volvo, Mack, Peterbilt, Kenworth
6. Manufactured in the U.S.
7. Backed by a one-year limited warranty

Poly Tandem Fenders

1. Protects trucks and trailers from damage caused by rocks, ice, salt and other road debris
2. Rigorous design and testing completed to ensure product longevity
3. Lightweight for optimal fuel efficiency
4. UV and corrosion resistant polyethylene
5. Fits: Freightliner, Volvo, Mack, Peterbilt, Kenworth
6. Backed by an extended lifetime warranty

Mounting Kits

1. Fits: Freightliner, Volvo, Mack, Peterbilt, Kenworth
2. Mounting components are universal to fit all heavy-duty makes and models.

Warranty Information

All products manufactured are guaranteed to be free of defects in workmanship and materials for a period of one **(1) year from date of installation**. An extended Lifetime Warranty is available on all **poly single axle, half and full tandem fenders**. All Alliance products must be installed using only Alliance supplied mounting kits and brackets. All tandem and half fenders must use a properly secured center bracket to avoid cracking. Any use of mounting hardware and brackets of another make to mount the products, or any modification of a product, will render the guarantee void. Alliance assumes no responsibility for the cost of installation or removal.

Exceptions to this limited warranty are as follows: cleaning with anything other than soap and water, damage and dents from road hazards are not covered, misuse or accidental impact damage is not covered, damage caused by corrosive materials is not covered.

Any materials to be considered for warranty must be returned to Springfield, TN, freight prepaid, for inspection, with an approved Returned Goods Authorization. This warranty is good only for the original end-user.
