Eaton – Bezares PTO & Parts

Eaton is the North American master distributor for Bezares USA, a global manufacturer of Power Takeoffs (PTOs), hydraulic pumps, fittings, tanks, valves, and other related mobile power hydraulic components. In addition to distribution services, Eaton provides post-sale service and support through its extensive Roadranger field team.

Bezares product is currently only available through Eaton to the US Market. If this changes, we will update this page and provide additional information.
