Product Highlights

Complete Product Line

All-encompassing product line with a Good, Better, and Best seats for every customer need. National Seating is tested above the minimum requirements of OEM's and approved for a variety of first-fit applications.

History of Success

National Seating is a leading supplier of a full range of seating solutions for the global commercial vehicle market, including the light, medium, and heavy-duty (Class 8) truck markets, as well as bus and the refuse and recycling markets. National Seating has a long history of success for development of industry-changing products and features such as the snubber/chugger to isolate fore/aft impact to the driver.
