Alliance Batteries

Alliance batteries offer a wide breadth of products to meet the needs of every customer. Product ranges from state-of-the-art Fahrenheit AGM technology which maximizes product performance in high temperature or legendary dual-purpose product designed for hoteling application and starting batteries which provide reliable start-ability time and time again.

Product Highlights

Alliance Starting Batteries

- are designed for starting type applications with minimal accessory loads.

- Applications: Day Cab, Dump Trucks, Line Haul, and Loggers.

Alliance Dual Purpose Batteries

- are designed for cycling service to power electrical loads, while providing power to crank the engine.

- Applications: Sleeper Cabs, Day Cab, Delivery Trucks, School Buses, Lift Gates, and Reefer Units.

Alliance Fahrenheit AGM (Absorbed Glass Mat) Batteries

- are designed to offer premium starting and cycle-ability in high temperature applications while increasing life and performance the most demanding applications.

- Applications: Day Cab, Sleeper Cab, Dump Truck, Refer Truck, Lift Gate, Line Haul, Mixers, or any application where there's a potential for heat.
