General Product Information

The Fleetguard Warranty – Best in the Industry

When you buy a Fleetguard Filtration product, you are assured superior warranty protection from the point of purchase throughout the recommended life of the product. Unlike industry competitors, our warranty coverage is not pro-rated, which means you are fully protected through the recommended service life of the product. These factors make the Fleetguard Filtration Warranty one of the best in the industry.

FAQ

Why Fleetguard?

We design, manufacture, and sell filtration solutions that create a better future by protecting what is important.

- **Stay ahead of equipment and industry changes.**
- **Get the best performance under every conceivable condition.**
- **Get the right products and trusted advice.**

Backed by Atmus

Fleetguard is a brand of Atmus Filtration Technologies, a stand-alone, publicly traded company founded by Cummins in 1958, independent since 2023. With a deep knowledge of filtration and media technologies, coupled with a strong operational strategy and an extensive global footprint, Atmus provides a foundation for growth and investment to help Fleetguard customers in their pursuits of cleaner equipment and a healthier planet.

Where can I learn more about filtration technology?

Our Fleetschool program features easy-to-use, self-guided training modules that cover a wide variety of modern filtration technology and product topics. To access the training please visit **https://www.fleetguard.com/s/training (https://www.fleetguard.com/s/training)** and self-register today!
