StepUP OVERHAUL

In the ultra-competitive trucking industry, you can't afford the costs of downtime. Your truck's engine is at the center of your ability to meet customer commitments. You need an engine that pulls with strength, uses fuel efficiently and is guaranteed to be there when you need it most.

DETROIT
DD15

Why StepUP Overhaul?

StepUP Overhaul gives you four easy-to understand options for restoring the performance of your DD Series™, Series 60® or MBE 4000 engines. Each option includes Detroit® genuine parts installed by factory-trained technicians and comprehensive warranty options. All of this is backed by the industry's best service network.

Product Highlights

Do you demand the superior quality of Detroit® genuine parts? Trust nothing less than the original.

- Each Step has been carefully crafted to fit different repair needs with Detroit® genuine parts.

Want an outstanding warranty? We have you covered.

- Explore coverage options ranging from 1 Year / 100,000 Miles to 3 Year / 300,000 Miles.

Need expert installation? The industry's best network of dealers and distributors delivers.

- Installation & service supported by 700+ locations with Detroit® certified technicians throughout the United States and Canada. Giving you peace of mind wherever the road takes you.

Time is money. Value Both.

- Today's trucking industry requires a 24/7/365 Operation. You can't afford to take chances - and with StepUP Overhaul - you don't have to.
