Product Highlights

PreSet/PreSet Plus Seal & Spacer Kit

For commercial vehicle that was built in the last ten years, PreSet wheel hubs were likely installed as standard equipment. When it's time for service, opt for genuine Alliance Seal & Spacer Kits and bring them back to their PreSet factory settings.

PreSet/PreSet Plus Hub Rebuilt Kits

Take the opportunity to press the reset button with less cost, labor, and downtime. And, you can count on quality, long-lasting Alliance components in each kit.

Wheel Seal

With a multi-zone labyrinth design and low-friction barrier, contaminants can't get past, providing superior durability and protection against the elements.

PreSet Plus Spindle Nut

Designed specifically for PreSet® and PreSet Plus® Hub Assemblies, Alliance spindle nuts ease hub installation, provide infinite adjustability, and improve clamp load retention.
