Why Viking?

Founded in 1972, Viking provides custom imprinted mud flaps to the transportation industry. Leveraging decades of manufacturing expertise with an eye toward the future, Viking isn't like most mud flap companies. Our unique extrusion process allows us to control the design and production of each poly mud flap from the very first step.

Offering an array of materials, sizes, and colors, Viking Mud Flaps is a full-service supplier unlike any other. Our in-house art department can provide customers with quality graphic logo dyes to ensure the quickest turnaround.
